

Co-funded by the
Europe for Citizens Programme
of the European Union

The European project “Be Active Shape Europe” (BASE) aims to deal with the active citizenship topic, which is one of the major values of the European Union, creating a moment of mutual communication between decision-makers and young people.

The project is financed by the European Commission through the Europe for Citizens Programme, and it is being organized in a parallel way also in the following countries: Greece, the United Kingdom, Slovenia, Portugal and Bulgaria. The aim is to **motivate the youth participation towards the political life, policies and strategies, on the local and on the European level as well.**

The meeting and the structured dialogue is foreseen to be organized between decision-makers representing the Municipality of Cinisello Balsamo and young people, **on the date 30th of May 2019**. With a view to this event, there will be scheduled and performed a presentation of the project within a preparatory meeting, which will take place on the following date:

*Thursday 16th of May 2019
at co-working space Cofò (Via Martinelli 23, Cinisello Balsamo)
from 16:30 to 19:00*

PROGRAMME

- 16:30 – Registration of the participants
- 16:45 – Presentation of the project and aims of the meeting
- 17:00 – My city: how the municipal government administration works
- 17:15 – Reflections on the active citizenship topic and work in groups
- 18:30 – Final debate
- 19:00 – Aperitivo Time and the conclusion of the evening

In the following months some of the participants actively taking part in groups will have a possibility to go to Greece for free in order to exchange the experience with the participants coming from other countries.

We wish you a good participation!
